

Wayne County Road Department Encroachment Permit Application Process

Wayne County Road Department policy requires an encroachment permit before any construction or maintenance activity takes place that involves entering onto or leaving established Wayne County roads.

Wayne County Road Department policy prohibits digging or excavating within the county road right of way to place, construct, or maintain any approach road, driveway, pole, pipeline, conduit sewer, ditch culvert, billboard advertising sign or any other structure or object of any other kind without obtaining an encroachment permit. (see / <https://waynecountyutah.org/services/county-government-services/road-department/>)

*As part of the encroachment application process be prepared to provide a detailed plan of work in PDF format, a drawing and or map of proposed encroachment area, property description and parcel #, and application fee of \$75.00 payable to Wayne County.

*The Wayne County Road Department Encroachment permit application is to be completed and signed by the private property owner or their agent/representative.
